Revised 10.29.23, 9.28.24

Fabric Requirements (as listed on pattern):

Finished Quilt Size:	62" x 74"
Leaf fabrics*	13 assorted Fat Quarters or 13 assorted ¼ yards
Stem fabric	1/8 yard
Background fabric	3 1/2 yards
Backing fabric	4 5/8 yards
Binding fabric	½ yard

*I used an “inspiration” print to select the 25 different leaf fabrics from my stash as well as the background fabric.

Please cut your fabrics prior to class so that you will have plenty of time for sewing during our time together. Or, if you want some guidance with cutting, feel free to wait until class to cut your fabrics. I found the Stripology ruler to be helpful for subcuts. Also, be sure to pay attention to the cutting diagram in the pattern: the 2 ½” x 5 ¼” leaf rectangles should run the opposite direction as the rest of the leaf rectangles; this is especially important if you are using a directional print.

I love Cluck Cluck Sew’s patterns, and I know you will enjoy making this quilt as much as I did - looking forward to stitching with you!
